Admiral Stan Turner, Director
Central Intelligence Agency
McLean, Virginia 20505

Dear Admiral Turner:

Your warm hospitality in sharing a few minutes with us on Wednesday was very much appreciated. We realize that after only a few weeks as Director of the Central Intelligence Agency your schedule is very demanding.

We were impressed when Ernie and Virginia mentioned your invitation to tour the CIA facility after our previous unsuccessful attempt. It was obvious that this tour was arranged especially for our group.

We would like to thank your security officer for conducting the tour and taking more than adequate time to answer our questions. The tour will be a memorable experience for us.

Sincerely,

LeRoy and Mary Jo
